PETITION UNDER 37 CFR 1.84 (a)(2) and 37 CFR 1.84 (b)(2)

Dear Sir,

The above captioned application is being filed with color drawings and color photographs. These color drawings and photographs are necessary in order to show the whitening effect in mouse melanoma cells and comparison to show depigmentation or whitening effect.

Included with this Petition is:

- (i) The fee of \$130.00 as set forth in § 1.17(h);
- (ii) Two (2) sets of color drawings.

Additionally, it is noted that the specification contains the prescribed language  
“The patent or application file contains at least one drawing executed in color. Copies of  
this patent or patent application publication with color drawing(s) will be provided by the

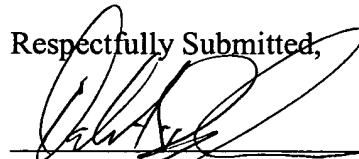

Office upon request and payment of the necessary fee” as the first paragraph of the brief description of the drawings.

In view of the necessity of use of color drawings and photographs in the present application and satisfaction of other requirements of 37 CFR 1.84 (a)(2) and 37 CFR 1.84 (b)(2), grant of this petition for permission to use color drawings and photographs in the present application is respectfully requested.
